THANK YOU

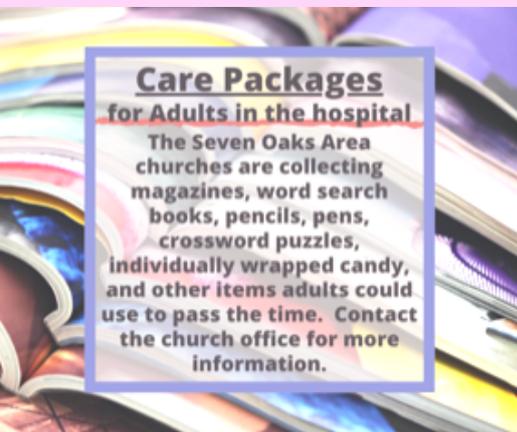

Dear friends in Christ: I want to thank you for offering a free burger today. My family was out of town and I was running errands when I saw a nice gentleman holding a sign on St. Andrews Road.

To be honest, I was feeling somewhat lonely and I stopped just to interact with other people, so I really appreciate what you all did. It was the highlight of my day. I hope others took advantage of your kindness today and that some lost souls may come to Christ through your act of kindness. Thanks again. Tony Boccaufuro

Hi Wonderful Seven Oaks Presbyterian Church!
Thank you for your generous donation of school supplies. Now more than ever, we need the support and help of our community partners. The current pandemic has taught us a lot about the importance of community. I look forward to working with you this year.
Sincerely, Christian English, Principal at Seven Oaks Elementary

Thank you Seven Oaks family for the thoughtful and generous gift for my volunteer work that I love doing. I do the work with a grateful heart in return for how He has blessed me! I was certainly surprised with the recognition. God's blessings to all! Jack Noë

I want to say thank you to everyone who prayed for me and provided meals, cards, emails, and texts during my Covid experience. I truly felt the prayers and love as I was going through it.
Sincerely, Karan Bundrick

Care Packages for Adults in the hospital
The Seven Oaks Area churches are collecting magazines, word search books, pencils, pens, crossword puzzles, individually wrapped candy, and other items adults could use to pass the time. Contact the church office for more information.

Items for Care Packages for Adults in the hospital are still being collected by Redeemer Lutheran Church (across from SOPC).

Worship in-person is coming September 13 at 11:00 a.m. in the Fellowship Hall!

If you choose to come in person, your faces will be smiling because we get to celebrate our God together! If you are joining by Zoom or by phone, no worries! You too, will be part of our celebration! Together we are working towards a beautiful day of worship. The Regathering Task Force and Session both are calling us to remember that when we enter into thanksgiving (and into the room), we are each agreeing to make a space of safety and love for all in attendance by following the Regathering for Worship Covenant (found in your bulletin this week). Please read this in advance and when you are ready and choose to come in person, know that the Lord is calling us safely to join, for this is the day that the Lord has Made!

The Shepherd's Center of St. Andrews is currently taking registrations for Fall Classes for weeks September 15 - November 10.

Visit their website for more information and to register:

Classes are limited, so register early!

This week's staff highlight...

Lloyd Pilkington

Lloyd Pilkington, along with Tina and Mark, are providing videos, singing, hymns, preludes and postludes to complete our online worship each week. Together we have tried microphones, live and recorded music, and done a ton of research to determine how best to worship. While Lloyd is arranging pieces over his computer, his family is gracious enough to share their talents each week, which is a huge blessing in this less than ideal world of Zoom. Lloyd works full-time at Midlands Tech and has recently gone back to the campus to work. He still manages to put in the extraordinary time it takes to make music happen digitally. Lloyd stays in touch with the choir and makes sure that their passion for music is honored in those connections. While we miss the beauty of music in person, and Zoom music is DEFINITELY not the same, we could not have done nearly as much without your gifts, Lloyd, THANK YOU!
