

Stewardship  
November 12, 2020

*“Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you.” Luke 6:38*

Sunday November 8<sup>th</sup> was Stewardship Sunday in the life of Seven Oaks. It also happened to be Baptism Sunday for two of our sweet babies. We worshipped in the sanctuary for the first time since quarantine. We praised the Lord together, either in person or on Zoom or You Tube. We had an acolyte and bulletins safely handled. We provided for safety as much as humanly possible with our carefully planned worship service. We worshiped in Thanksgiving with our newly refurbished organ. We were together as the people of God and for all, we give thanks.

There is no better reason to consider stewardship than this privilege of being the church together in thankfulness and praise. Electronically or in person, we are the body of Christ gathered for such a time as this. You are still invited to complete your pledge and time and talent forms and return them to the church office. This one small action creates a ripple effect with big waves within the church and in the community. More than that, your stewardship is your gift to God who gives so much to each of us.

Thank you for being the church during this challenging time. Your prayers as we plan for the future are greatly and abundantly appreciated!
