

Worship with Us!

We hope you will join us online or in person on Sundays at 11:00 am!

November 7, 2021 will be an exciting day!

Don't forget to set your clock back one hour!

We will celebrate the members of SOPC who have been serving for 50 years and have a time of fellowship with snacks outside the church after worship service.

We also have the opportunity to be good stewards and plan for the future by pledging our time, talents and offerings to the Glory of God for His church.

Don't miss opportunities to learn and fellowship in one of our Sunday School Classes before the Worship Service.

Friends,

On October 17 I broke my leg. On October 18 people started contacting me. In the time since I've gotten food of all sorts. I've gotten help on whatever I've needed. I've gotten phone calls, cards and visits. I am overwhelmed by the love that has been shown me and I am eternally grateful for it.

As the church is going through the "Reshape" process right now, do me a favor: please keep the love you have for each other and those who cross your path. It may be the greatest thing you do. It has certainly shown the Love of Christ to me.

I remain yours,
Barry Shatzer

Ps. I saw my orthopedist. I have at least 4 more weeks of this. I am counting me blessings because it could have been so much worse.

Dear Seven Oaks Family,

Thank you so much for all the calls, cards, food and other acts of kindness that you have shown to Ken and Me during my hospital stay. It has meant so much to both of us! Mostly, however, I would like to thank you for all the prayers for my healing. I could feel the arms of God wrap around me as I lay in that hospital bed not knowing what my future would hold. I am still in rehab at home but I am well on my way to a full recovery.

In Christian Love,
Marilyn O'Mellan

"A big thank you goes to everyone who donated gift cards and meals to our Family Promise guests. They are so appreciative of anything we do for them. SOPC is making a concrete difference in the lives of people experiencing homelessness. We celebrate that last week one of our three families graduated from the program and moved into their own apartment, and a new family has moved into the triplex apartment complex. Congratulations also go to another family that moved into their own home last week after spending the past year in Family Promise's transitional home (donated by Clayton Homes)."
