

What an amazing Fall Festival we shared with the community! We fed over 100 children in our community, raised considerable money for the clothing closet, our pastor's discretionary fund, and the youth, and most of all we shared the joy of Christ with all who came through our campus. A HUGE thanks to all who blessed us with your time, talents, and offerings in pulling this together!

The Holiday Season is rapidly approaching and we at the office are SO excited to begin sharing the festivities! It's time to give thanks with a grateful heart!

This November, you are invited into the hope and life of Christ through all that is going on in our midst. We WANT YOU to be part of giving thanks here at SOPC.

- ◆ November 5th is Stewardship Sunday (sometimes known as Consecration Sunday) where we honor God with our pledges of money, time, and talents to do God's work through SOPC. It is VITAL you are here this Sunday!
- ◆ November 5, Sunday is our Monthly Fellowship Luncheon Immediately following Worship. We are looking into creating cards or messages for our Cuban brothers and sisters, giving thanks for their prayers and partnership.
- ◆ Each Sunday we aim to have a special gift of music in our midst. Come and bring a friend or watch online and honor your leaders who sing and play to God in worship.
- ◆ We will be decorating in honor of Thanksgiving for worship so come and be a part of making God's space festive.
- ◆ Thornwell Offering will be accepted on November 19th to facilitate our partnership with children and families in the SC/GA and Florida area.
- ◆ Home communion will be planned for anyone who needs it, please let us know if you would like to be on that list. We want to bring the love of Christ to your doorstep.
- ◆ The Love Revolution and Clothing Closet typically see an uptick in guests and we desire to learn names/faces and help serve those in our midst. Come and learn at Thanksgiving together.
- ◆ The youth meet on the 5th for confirmation at 4:30 pm, 5:30-7 pm a youth study on the Reformation, and a confirmation retreat on Nov 10-11th at Camp Fellowship. For other youth events see your calendars for November.
- ◆ Choir resumes under the direction of our new Director of Music, Stephen Simmons, on Wednesday, November 29. Come and be a part of Holiday preparation for Advent and Christmas. We are grateful for his leadership!
- ◆ Or Come and direct or decorate for Advent after Thanksgiving in preparation for the 'Hanging of the Greens' Worship service in early December.
- ◆ Reengage with a small group, join your friends in exploration or study, and learn about Christ together in our world.

There are so many options for you to know the love of Christ and November is our month to celebrate who SOPC was, is, and is becoming. Come and give thanks, church, for the love of our God will never fail.

'As you, therefore, have received Christ Jesus the Lord, continue to walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving'. Colossians 2:6-7

MEN'S MOVIE NIGHT & FELLOWSHIP A GREAT SUCCESS

A "Movie Night" for men was held on the SOPC, back campus on Sept. 30. Liz Harris provided the Food Truck with several meal choices. Delicious! The men ate in the Pavilion. There were 12 of us who enjoyed each other's company and sharing stories about our love of Christ. There was also a fire pit nearby between dinner and the movie, and then the movie was shown on a huge inflatable screen where we sat on football style foldable chairs. The movie was called "A Story Worth Living" It was an inspirational movie about how six men venture forth into the Colorado back country on BMW motorcycles and stop at various places along the way to talk to men they meet about formative events in their lives. The movie was professionally shot and the scenery breathtaking. (It is available on Amazon Prime Movies if you'd like to see it.). We plan to have more of these events in the future to a larger audience once the word gets out.

Delicious food, a movie, bonfire, and fellowship! Our SOPC men enjoyed a great night out!

OUR RIDES

ReShape

Discontinuing ReShape Ed Keelen

The Session has decided to discontinue ReShape as it is currently configured and return to a leadership model that is centered around the Session. Members of the ReShape Adapting Group team will still continue to be involved, more on the implementation side than the strategic and visionary side. There is still much work to be done as we follow the path laid out by our ReShape Ministry Guide.

The ReShape process has served us well:

- ◆ Eight Small groups (65% of our membership) met for six weeks using a structured process from Pinnacle Associates. They generated nearly 500 Action Items, from which our Coordinating Committee selected 28 for high-priority action.
- ◆ A Ministry Guide was published and provided to each member.
- ◆ The 28 Action items were assigned to our ministries for action and completion, including expected completion dates.
- ◆ An Adapting Group was established to ensure that the Action Items were progressing as intended and to keep the Ministry Guide current with new initiatives that would keep us current with religious and societal trends.
- ◆ To date 20 of the original 28 Action Items are complete, and the remaining eight have well-defined activities for completion in the short term.

It is time to transition the remaining ReShape activities back into the Session and our Ministries. Our Session has committed to training in leadership and change management, and as our responsible governing body, will assume complete responsibility to oversee the activities of the church in a way that is pleasing to our Lord and extends the Kingdom of God to those who so desperately need it.

Please extend your appreciation to the Adapting Group for their excellent work and their passion for preparing us for the changes ahead: Ed Keelen, Chair, Elizabeth Taylor, Ben Smith, Kathy Morganelli, Julie Bussells, Judy Barnes, and John Hinton Lane.

MUSIC MINISTRY

Welcome to our new Director Of Music, Dr. Stephen Simmons! Please read his bio below to get to know him a little better and his love for music ministry.

Stephen's love for the church, and music, began as a student at a Catholic school in Northern Virginia. During his time as a student, he became more and more interested in the awe-inspiring space known as the sanctuary. With all of its grandeur, paintings, candles, statues and subtle hints of incense, Stephen was almost scared to enter the building and especially terrified of entering the small room within the church that held the communion and a lit candle dangling above the small altar to let you know that the spirit and body of Christ was present...it scared me to death.

I remember a day when our class talked about the concept of altruism and how it was better to give than to receive. So Stephen decided he was going to give up his lunch money every day, and instead put it on the altar for those who had nothing. A Nun realized that he was always gone for a few minutes before lunch. So, she followed him only to find out what he was really doing. He never knew, until years later, that the Nun had called his mother to let her know where his lunch money was really going. It was in that place, though, that his teacher asked him to play the character of the little grey donkey in their Christmas presentation. Though he had never sung before, anything to do with music was like a magnet. So, he played the donkey and had to sing a solo called "Little Grey Donkey tonight." It went so well, the audience asked for Stephen to sing it again! He was hooked after that and had, unwittingly, cemented his synergy between music and God.

Having grown up in the Washington D.C. area, where he was constantly begging his parents for piano lessons and to take him to concerts of all types, never materialized. Though those dreams of having a piano were temporarily dimmed, Stephen turned to singing in his church and school choirs in which to funnel his passions.

It wasn't until his Junior year in high school, after he'd moved to Hickory, NC, that he finally realized his dream of owning a piano and taking REAL lessons.

This is what inspired Stephen to go to college and earn degrees in both Piano Performance and Choral/Instrumental Conducting.

FALL FESTIVAL HAD SOMETHING FOR EVERYONE!

Yummy food, shopping, and so much fun!

FALL FESTIVAL - MORE PICTURES TO SHARE THE AWESOME DAY!

A NOTE OF THANKS

A note from our friends, **Kairos Prison Ministry**, who used our facility last week. A little information about them: Through their ministry they have found that hearts are changed, prisons are less violent, recidivism rates are reduced, and communities are safer. Please visit their website at www.kairosministry.org. When they go to visit the prisoners they take cookies and snacks. So we were getting so many packages on a daily basis for several weeks, as you can see in the picture below. We feel very honored that they chose us to help them with providing a place to do their ministry.

"We are very blessed to have the use of your facility in support of the Kairos Weekend at Camille Griffin Graham. Thank you."

We kept them very secure in the Youth Room so the Cookie Monster could never FIND them! Haha

VOLUNTEER RECOGNITION

We are SO grateful for our volunteers! We would not be the church without EACH OF YOU!

Today's highlight is our own Sharon Staton! Sharon is the queen bee of the office and the keeper of all history. Ask her a question, she will find an answer! Sharon tackles so many items within the office just out of her love for the Lord such as stocking the blessing box each day, proofreading all documents, and helping to arrange meals at home for our shut-ins.

She is well-versed in the gifts of each of you and is not afraid to pick up the phone if there is a need. She runs and organizes the nursery every Sunday and often can be found in there during worship. Perhaps more importantly, she is a great shepherd and touches base with all of her sheep diligently and faithfully.

Coming from the banking background, Sharon is extraordinarily gifted in the art of finances and arranges everything from budget conversations to our annual reviews of the books here at SOPC.

She has been a member since May of 1993 and has served her family, her peers, the office staff and the community in so many ways for 15 years from the office, so many that we cannot put them all in a list!

When you get a chance, say thank you to this volunteer who keeps things going!

If another day suits you better, please call **Kitsie** at **803-463-6958**. We love sharing the good vibes we feel when working on this incredible project. Thank you.
