The Monthly Newsletter from Seven Oaks Presbyterian Church

Hold this spot!

No, Annah didn't forget to finish the cover page.

**This space is where an article from
our Pastor might go.**

You are invited to *hold this spot* in your hearts and prayers as God prepares our future Pastor for us. We claim, with all the assurance of our faith, that our loving, wise, mighty Lord is at work via the Holy Spirit, placing a call on the heart of our Pastor-to-be!

May the Divine One grant us discernment and endurance to *run the race before us* in our search.

Dear Congregation of Seven Oaks,

The outpouring of your love has been such a blessing during this time of transition. Thank you for our final day together and the memories we made in worship and in reminiscing. Thank you to all who took precious time to prepare and make February 4th beautiful. Thank you for the beautiful “Shore Birds” painting by Kathy Morganelli. “The Christ in me sees the Christ in you.” Thank you for the REI gift card- I will use this to prepare for my Spiritual pilgrimage to the El Camino Trail in Spain in September. Thank you for the overwhelming love offering that will be put to use in beginning a new life, with new dynamics and new love of family.

We have been through many good and challenging times over the years. The memories and history we have made constantly amaze me and will stay with me, along with all the learning therein. Most importantly, the friendships and love for the Lord you have displayed, especially over this past 2 years, will be mine to cherish for a lifetime.

My prayers will remain with you. May God be with you until we meet again.

Pastor Jana

We are so very thankful for his many gifts, his willingness to help whenever needed, and his commitment to SOPC through membership! Be sure to reach out and let him know that you're glad he has joined our family of faith officially.

CHURCH FUEL

As you read in the last letter from the Session, we have entered into a contractual agreement with a church management group called “Church Fuel.” For a reasonable monthly fee, (which can be canceled any time without penalty,) we will work with them to enhance our ability to attract new visitors as well as utilize their extensive training and coaching material to sharpen our leadership and communication skills. Church Fuel is a well-seasoned organization. They have worked with over 6000 churches and have trained over 70,000 leaders. While we are just beginning to work with them, we are impressed with their track record and the broad number of tools they offer to increase our visitor traffic. Please stay tuned as we put into practice their recommendations.

From: Ed Keelen

All women of the church are invited to a spring retreat on Friday, April 5th. This year, we will go to the USC campus for bistro lunch dining at McCutcheon House, followed by a tour of the Anne Frank Center. We will meet at the church at 10:30 am. Cost will be \$25.00 per person: \$15 for lunch and \$10 for admission. Please call or email Dallene Smith at 847-528-0379 or dallene611@gmail.com with any questions. Bring a friend!

Anne Frank Center:

The Anne Frank Center on the USC campus brings to life the story of the young Jewish girl who – in the pages of her world-renowned diary – documented two years of hiding in German-occupied Amsterdam during World War II. By sharing Anne's legacy with visitors, students, and teachers, USC's Anne Frank Center seeks to inspire our commitment to never be bystanders but instead to stand up together against antisemitism, bigotry, and inequality wherever it may exist today.

McCutchen House:

The McCutchen House is operated by the School of Hospitality and Tourism Management at USC. Under the supervision of the director and professional chefs, hospitality management students learn restaurant management skills through the preparation and service of a bistro lunch, which is open to the public during the fall and spring semesters. The McCutchen House also offers services for private or professional events.

Please return this form to Dallene Smith or to the church office by Sunday, March 31, 2024.

We sincerely thank [Seven Oaks Presbyterian Church](#) for their donation of sidewalk chalk, bibles and other items that our families can put into their children's Easter baskets!

Dear SOPC,

Thank you for opening your doors for our community health screening in your area. It is because of your generosity that Life Line Screening is able to bring these health screenings into your community and for that, we are very appreciative.

We look forward to working together again!

MIDLANDS ORGANIZED RESPONSE FOR EQUITY AND JUSTICE

MORE JUSTICE

**MORE Justice is currently addressing 3 issues:
Food Justice, Gun Violence, and Affordable Housing.**

Last year we asked for a commitment to fund a mobile food market. Columbia now has a mobile market and a local farm to supply it. Now we are asking the City Council to prioritize the market by committing to a budget line item for food insecurity. We hope to establish more mobile markets and/or create new food insecurity solutions.

Last year we asked that a problem analysis from an outside source be conducted for Gun Violence. Mayor Rickenmann established a new Office of Gun Violence funded with a \$800,00 budget. They plan to use the in-house assessment. We are asking that they use part of that budget to have a problem analysis by an organization like the National Network for Safe Communities.

Affordable Housing has made strides, and we celebrate those. \$4million has been set aside and we are advocating for it to be dedicated to an Affordable Housing Trust Fund and monies dedicated annually to the development of new affordable housing units.

Please join us at the Nehemiah Action and March 18th. We need your presence and your prayers to address these issues. It would be a great chance to check us out and learn more. Contact Polly Robinson for MORE Justice details.

FOOD INSECURITY WALK

Saturday, March 2nd 2:00PM

More than 65,000 residents in Richland County lack the access, ability, or income to acquire healthy, safe, culturally-appropriate food. Join us **March 2nd**, as we walk through the Greenview Community and share the stories of those who are directly impacted by food insecurity.

The event will begin at the MORE Justice office (**709 Gabriel Street**) with testimonies given by community members, followed by a walk to the nearest grocery store (**Piggly Wiggly, 6325 N Main Street**). The event will conclude back at the MORE Justice office with a time of reflection.

MORE JUSTICE NEHEMIAH ACTION

MONDAY, MARCH 18TH
EAU CLAIRE HIGH SCHOOL AUDITORIUM
[4800 MONTICELLO ROAD]

REGISTRATION BEGINS @ 5:00PM
EVENT STARTS @ 6:00PM

Be a part of standing for justice and equality.

Join us for the 2024 Nehemiah Action, where hundreds of community members will gather and ask public officials to take measurable action steps to implement a solution to our community's most pressing problems.

WHO IS MORE JUSTICE?

Midlands Organized Response for Equity and Justice (MORE Justice), is an interfaith coalition of 27 racially, socio-economically and religiously diverse congregations dedicated to seeking justice for all residents of the Central Midlands area by holding systems accountable for fair practices and policies.

Scouts deliver food to Sharing God's Love

Scout units from the Irmo area participated in the Scouting for Food drive to help restock the shelves of Sharing God's Love Food Bank in Irmo.

Sharing God's Love received more than 7000 pounds of food items and cash donations of almost \$500.

"The partnership with the Boy Scouts of America units in our area was very successful in helping to fill-up our food pantry", said Richie Eisenman of Sharing God's Love. "We are thankful for the support of the Scouts over these many years."

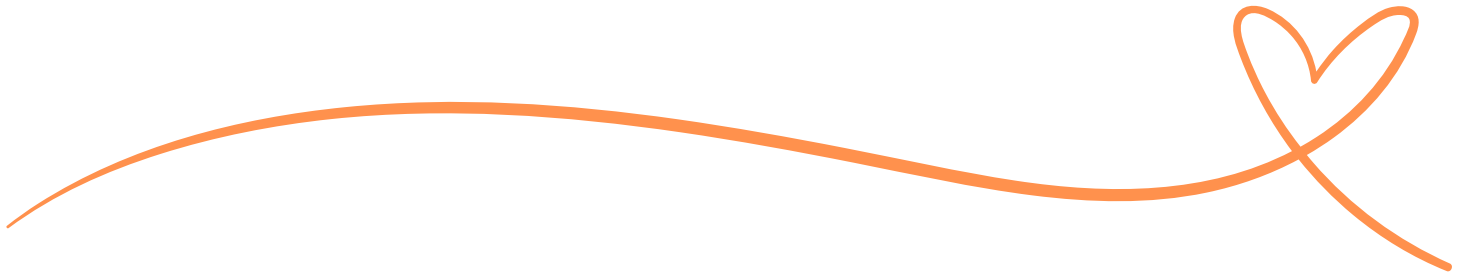

Sharing God's Love helps with food, clothing and utility needs for more than 10,000 individuals in the St. Andrews, Irmo, and Ballentine areas and celebrated its 40th anniversary of operation this year.

Scouts from Cub Scout Packs 95, 139 and 326, Scouts BSA Troops 91, 95 and 326 and Venturing Crew 312 collected donations from the St. Andrews and Irmo areas and then delivered the food to Sharing God's Love February 10. Private individuals and Costco contributed almost \$500 to help support the purchase of essential items needed.

Introducing the 2024–2025 PW/*Horizons* Bible study

Let Justice Roll Down

God's Call to Care for Neighbors and All Creation

By Patricia K. Tull With Suggestions for Leaders by Rebecca Barnes

Patricia Tull, author of the 2024–2025 PW/*Horizons* Bible study *Let Justice Roll Down: God's Call to Care for Neighbors and All Creation*, describes her call for creation justice in this way: “When I first learned of the climate crisis, I wondered how a biblical scholar with few practical skills could help and found my purpose in learning about ecology and teaching people of faith what I could. Such is not everyone’s skillset or desire, but each of us has something to do with all our hearts.”

We are called to care for neighbors and God’s creation with all our hearts, with particular care for society’s least powerful members who are disproportionately impacted by unjust systems. In God’s first instructions to the nation of Israel we hear “you shall not pervert the justice due to the poor” (Exodus 23:6); in Moses’ final speech at the promised land’s border, he reiterated, “Justice, and only justice, you shall pursue” (Deuteronomy 16:20); and from Amos, the earliest recorded prophet, “Let justice roll down like waters, and righteousness like an everflowing stream” (Amos 5:24). Scripture reminds us that we are called to speak out to urge our society to act for just transitions in this fast-changing world.

We invite you to join Presbyterian Women as we explore, with all our hearts, God’s call to care for our neighbors and for creation.

Readers will learn about ecological systems, the challenges we face in this time of accelerated climate change, and the possibilities available to address or counter the impact of human-made stress on our environment. Further, readers will explore theological questions that point us to act and engage, in small and large ways.
